

Fishers Island

Seagrass Management

SUMMER MEETING
with Guest Speaker:
Cayla Sullivan

Join us for our quarterly meeting where we will discuss FISM project updates including our eelgrass mapping project and our eco-mooring pilot study.

After FISM updates we will welcome Cayla Sullivan, EPA Life Scientist to speak on the eelgrass projects around Long Island Sound and Fishers Island's important role in the future of eelgrass in the region.

OUR MEETING

Henry L. Ferguson
Museum

27 August
12:00 - 1:30 pm

To join remotely, contact
